RE: Compliance Order
NM 9570024423

Dear Mr. Muckelroy

On 19 May 1994, we received your 13 May 1994 Administrative Order Requiring Compliance (Compliance Order NMHWA 94-07) from a 14-17 March 1994 Resource Conservation and Recovery Act (RCRA) inspection. Below are the discrepancies noted during the inspection and the corrective actions we have taken:

Compliance Order: Page 3

1. Within one (1) working day after receipt of this Order, properly label the 2 five gallon containers found in the satellite accumulation point in the print press area of Building 20602, FCDNA.

Corrective Action:

On the day that the discrepancy was noted, the 2 five-gallon containers were labeled correctly while the two NMED inspections watched and took pictures.

2. Within one (1) working day after receipt of this Order, properly label the 2 ten-gallon containers found in the satellite accumulation point outside Room 117, Building 416, Phillips Lab.

KAFB1433

Corrective Action:

On 21 March 1994, the 2 ten-gallon containers were labeled correctly and turned into our Conforming Storage Facility for proper disposal.

A check in the amount of Three Thousand and Forty-Six Dollars (\$3,046) will be forth coming.

In the event you have any questions, please contract Mr. Walter S. Darr III at (505) 846-5037.

Sincerely,

CHARLES H. PEREZ
Brigadier General, USAF
Commander
