Dear Colonel Norris:

Enclosed is a copy of your permit to operate a hazardous waste facility, under the Hazardous and Solid Waste Amendments of 1984 (HSWA) as modified following a Class III permit modification.

For your clarity and convenience, we have revised Module IV of your permit (issued October 10, 1990) to incorporate new language as a result of this modification. The effective date for Module IV remains November 14, 1990. The changes made under this Class III permit modification are effective as of the date of this letter.

Procedures for requesting the EPA Administrator to review permit decisions are detailed at 40 CFR Part 124.19. Effective March 1, 1992, jurisdiction over petitions for review was changed from the Administrator to the Environmental Appeals Board. If you petition the Environmental Appeals Board for such a review, please send a copy of your petition to the Region 6 office.

The filing for appeals should be sent to the address listed below:
