Dear Mr. Amindyas

We are requesting an extension until 3 February 1995 for the second quarterly Post-Closure Groundwater Monitoring letter report for the Sewage Lagoons and Golf Course Pond.

This report is delayed due to problems encountered during contract modifications. We apologize for any inconvenience this may have caused. We plan to begin the third round of groundwater sampling at the sites during the week of 30 January - 3 February 1995.

Please contact Mr. Stephen Lee at (505) 846-0053/2773 if you have any questions.

Sincerely

CHRISTOPHER B. DeWITT, R.P.G.  
Chief, Restoration Branch  
Environmental Management Division
