Dear Mr. Gould

We would like to explore the possibility of holding some joint AF-DOE/SNL meetings with the public on restoration issues. We believe that some joint briefings and training sessions for our local citizens would be appropriate for both of our public information and participation programs. Mr. Christopher DeWitt, my Acting Chief of Restoration, 846-0053, would like to discuss details with you. We look forward to hearing from you.

Sincerely
