Dear Ms. Morlock

As part of the Stage 2B NOD response, we must submit a sampling and analysis plan (SAP) for 16 sites--13 directed by EPA and three we feel had inconclusive results. The plan is due to your office by 1 August 1995.

Due to the volume of work in this office (extensive budget revisions and several plans reviews), we are requesting a 2-week extension to the due date. If this is agreeable, we will submit the SAP by 15 August 1995.

Please contact me at (505) 846-2773/0053 if you have any questions.

Sincerely

 CHRISTOPHER B. DeWITT, R.F.G.
 Chief, Restoration Branch
 Environmental Management Division
