RE: Applying Hazardous Waste Regulations to Firing Ranges

Dear Mr. Garcia

Environmental Management Compliance recently received a letter from our Headquarters Air Force Materiel Command requesting our state's position on applying hazardous waste regulations to firing ranges. We request you provide us with your interpretation so we can clear up this matter and to ensure compliance with our Part B Permit.

If you have any questions, please contact Ms Marsha Carra at (505) 846-7847/5037. We appreciate your help and cooperation.

Respectfully

Walter S. Darr III
