New Mexico Environment Department
PO Box 26110
Santa Fe NM 87502

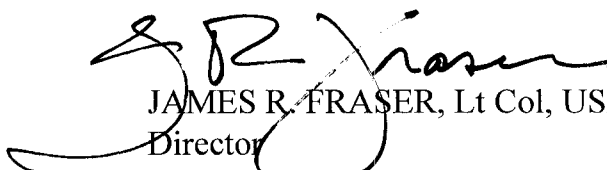

Dear Mr. Garcia

We are forwarding two copies of the Long-Term Groundwater Monitoring (LTM) Report for the July 1996 Out-of-Cycle Event conducted at SWMU 6-4, Landfills 4, 5, and 6 (LF-08). This event was conducted as required by the Kirtland AFB LTM Plan and NMED's Solid Waste Management Bureau (SWMB). We are also forwarding copies to the SWMB and Groundwater Quality Bureau.

Please call my point of contact, Mr. Christopher DeWitt at 846-0053, or myself at 846-2751, if you have any questions.

Sincerely

JAMES R. FRASER, Lt Col, USAF
Director
Environmental Management Division
