Dear Mr. Garcia:

The Environmental Protection Agency (EPA) has reviewed the November 5, 1996, notification concerning potential new Solid Waste Management Units (SWMUs) related to the Building 30124 automobile bays at Kirtland Air Force Base (Kirtland). In its notification letter, Kirtland requests a February 15, 1997, due date for submittal of the SWMU Assessment Report. EPA concurs with this request.

If you have any questions, please contact Ms. Nancy Morlock of my staff at (214) 665-6650.

Sincerely yours,

David W. Neleigh
