Re: Ten day extension for response to Compliance Order HRM-97-01

Dear Colonel Dills,

As per the discussion in our meeting, the New Mexico Environment Department (NMED), Hazardous and Radioactive Materials Bureau (HRMB), grants an extension of ten (10) calendar days for Kirtland AFB (KAFB), to respond to the referenced Compliance Order. NMED/HRMB takes this opportunity to remind KAFB that they must follow the schedule of compliance outlined in the Order unless KAFB chooses to appeal the Order through an Administrative Hearing. Should KAFB pursue an informal settlement, the Answer to the Order must state that informal settlement is requested.

If you have any questions regarding this extension, please contact me at (505) 827-1558.

Sincerely,
