SUBJECT: HSWA Module Renewal

1. This memo confirms the conversation between you and Mr. Mark Holmes of my staff on 21 Apr 00 concerning renewal of our HSWA Module. We understand that renewal of our HSWA Module does not require Kirtland AFB to initiate the renewal process or make any submittal or application to the New Mexico Environment Department (NMED) concerning renewal of the module. Renewal and issuance of our module is the responsibility of the NMED. We appreciate the clarification of this issue.

2. Please contact Mr. Mark Holmes at 505-846-9005 or me at 505-846-2751, if you have any questions on this matter.
