FROM: 377 MSG/CEVR

Kirtland AFB, NM 87117-5270

SUBJECT: Combined Report for Solid Waste Management Unit (SWMU) WP-26, Sewage Lagoons and Golf Course Main Pond EPA ID # NM9570024423

1. The Environmental Management (EM) Branch at Kirtland AFB is requesting an extension of time until 1 May 07 for submittal the subject report. The original submittal date was 6 Mar 07, proposed in EM's 27 Oct 06 memo requesting approval of the combined report.

2. The request is based on the insufficient amount of time to prepare the report. We received NMED's 07 Feb 07 approval letter, to combine the results of three investigations into one report, on 9 Feb 07. The date of the approval letter provides less than 30 days to prepare the combined report to meet the proposed 06 Mar 07 submittal date.

3. The requested extension has been discussed with Mr. William McDonald of your staff.

4. If you have any questions, please do not hesitate to contact me at (505) 853-6534 or Mark Holmes at (505) 846-9005.
