EMAIL NOTIFICATION:

Greetings from the Kirtland Air Force Base (AFB) Environmental Restoration Program (ERP)!

The purpose of this email is to inform you of our upcoming Public Meeting on Tuesday, April 23, 2013 at 5:30 p.m. at the Cesar Chavez Community Center, located off of Louisiana Blvd. and Kathryn. The meeting agenda is attached. Please come join us and help plan our future stewardship of the environment.

This is a joint meeting between Sandia National Laboratories' Environmental Programs and Kirtland Air Force Base (AFB) Environmental Restoration Program (ERP). Please note that the Bulk Fuels Facility (Phase-Separated Hydrocarbons (PSH)) (Site SS-111) presentation will be excluded to allow for discussion on other important ERP activities at the Installation. The Citizen Advisory Board (CAB) meeting focuses primarily on the Site SS-111 about current project activities at the fuel spill site. The next CAB meeting is scheduled for Tuesday, May 21, 2013 at 5:30pm. CAB meetings are held on quarterly.

For updates on the remediation efforts of the KAFB jet fuel plume, please visit the Kirtland AFB Fuel Plume Remediation website at [www.kirtlandjetfuelremediation.com](http://www.kirtlandjetfuelremediation.com).

Citizens may review Air Force ERP documents at the Kirtland AFB Information Repository at the Central New Mexico Community College-Montoya Campus Library, 4700 Morris NE or by visiting the Kirtland AFB website at <http://www.kirtland.af.mil> in the Environmental Issues section for Public Records. DOE documents are available at the University of New Mexico, Zimmerman Library.

For more information, please contact the Kirtland AFB Public Affairs at (505) 846-5991.

To update your contact information, please reply to this email with your new contact information.

Kind Regards,  
Renee Pino  
Kirtland AFB Program Support
