Dear Mr. Blaine

In the New Mexico Environment Department (NMED) letter dated 6 June, the interim measure for EDB proposed in a White Paper was disapproved and the NMED requested delivery of a Work Plan on 30 June. We are requesting an extension to 30 July, which will allow time to properly consider all design and procurement requirements and fully develop a Work Plan that will meet all treatment and scheduling requirements.

Please contact Mr. L. Wayne Bitner at 505.853.3484 or [ludie.bitner@us.af.mil](mailto:ludie.bitner@us.af.mil) or Mr. Scott Clark at 505.846.9017 or [scott.clark@us.af.mil](mailto:scott.clark@us.af.mil) if you have any questions.

Sincerely

JEFFREY W. LANNING, Colonel, USAF
