Mr. Tom Blaine, Manager
Environmental Health Division Director
Environmental Health Division
New Mexico Environment Department (NMED)
1190 St. Francis Drive
Santa Fe, New Mexico 87502

Dear Mr. Blaine

As a follow up to email notification sent to NMED on 30 June 2014 (attached), this is a formal notification letter that as of 30 June 2014, the air sparge and soil vapor extraction system has been implemented as described in the *Air Sparge and Soil Vapor Extraction Pilot Implementation Work Plan – Revision 1*. This air sparge and soil vapor extraction system has been implemented to satisfy the requirements of the 24 April 2014 NMED letter requesting that aerobic remediation be implemented by 30 June 2014.

Please contact Mr. L. Wayne Bitner at 505.853.3484 or at ludie.bitner@us.af.mil or Ms. Victoria R. Branson at 505.846.6362 or at victoria.branson@us.af.mil if you have any questions.

Sincerely

TOM D. MILLER, Colonel, USAF
Commander

Subject: KAFB Air Sparge-SVE wells up and running
Date: Monday, June 30, 2014 12:31:32 PM

Dear Mr. Blaine, et al.,

This is KAFB notification that the Air Sparge-SVE well system has been up and running since this morning. This interim measure notification is in response to NMED's 24 April 2014 letter requirement for aerobic remediation implementation to begin by this 30 June 2014 date. KAFB plans to follow this email up with a formal notification for the public records.

Please let us know if you have any questions.

Respectfully,
Victoria R. Branson
