Air Force and NMED to host public information meeting Nov. 17

JOINT BASE SAN ANTONIO-LACKLAND, Texas –The Air Force and the New Mexico Environment Department will host a public information meeting Tuesday, Nov. 17, at the African American Performing Arts Center to provide an update on the Kirtland Air Force Base Bulk Fuels Facility leak cleanup activities.

The meeting runs from 6 to 8:30 p.m. Prior to the meeting, interested community members will have an opportunity to discuss the project with Air Force and NMED technical experts and project leaders during a poster session beginning at 5:30 p.m.

The performing arts center is located at 310 San Pedro Drive NE.

Representatives from the Air Force, NMED, Albuquerque Bernalillo County Water Utility Authority and the City of Albuquerque will be available to respond to community questions and provide current status on soil and groundwater contamination remediation.

For more information on the meeting or about the Air Force environmental cleanup program, call (866) 725-7617 or email afcec.pa@us.af.mil.
