Dear Mr. Kieling

Kirtland Air Force Base is requesting an extension of the 31 March 2016 deadline approved by your office for the submission of the *Quarterly Pre-Remedy Monitoring and Site Investigation Report for October-December 2015 and 2015 Annual Report* to 29 April 2016. This extension is necessary for the following reason:

The 2015 Annual Report includes interpretation and discussion of all investigative groundwater and soil-vapor data collected in 2015. Additional development time is required in order to prepare this report for submission.

Your assistance in granting this request is greatly appreciated. Please contact Mr. L. Wayne Bitner at 505.853.3484 or at ludie.bitner@kirtland.af.mil or Ms. Victoria R. Branson at 505.846.6362 or at victoria.branson@kirtland.af.mil if you have any questions.

Sincerely

ERIC H. FROEHLICH, Colonel USAF
