CORRECTION TO EMAIL NOTIFICATION

The upcoming Citizen Advisory Board (CAB) meeting on Tuesday, January 28, 2014 at 5:30 p.m. is NOT a joint public meeting between Sandia National Laboratories' Environmental Programs and Kirtland Air Force Base (AFB) Environmental Restoration Program (ERP). The Bulk Fuels Facility (Phase-Separated Hydrocarbons (PSH)) (Site SS-111) presentation will be discussed. The CAB meetings focus primarily on the Site SS-111 about current project activities at the fuel spill site.

Please accept my apologies!

Thank you,
Renee Pino
