**ENTERED**

04 April 2022

Colonel Jason F. Vattioni, USAF  
Commander  
377th Air Base Wing  
2000 Wyoming Blvd SE  
Kirtland AFB NM 87117

Mr. Blake Atkins  
Chief, New Mexico Section  
U.S. Environmental Protection Agency, Region 6  
1445 Ross Avenue  
Dallas TX 75202

Dear Mr. Atkins

Pursuant to the provisions of the Defense Environmental Restoration Program, Kirtland Air Force Base (KAFB) has conducted assessments and site inspections of the Military Munitions Response Program (MMRP) sites within the boundary of this installation.

KAFB's restoration personnel have completed this Non-Time Critical Removal Action (NTCRA) Completion Report for the MMRP AL120b McCormick Unexploded Ordnance Site. As required by 10 United States Code §2710(c)(2), Executive Order 12580, Executive Order 13016 and Office of Solid Waste and Emergency Response Directive 9200.3-60, the Air Force is submitting this NTCRA Completion Report for the MMRP AL120b site for the Environmental Protection Agency's (EPA) records.

Please note that the EPA and Department of Defense (DOD) mutually agreed with the creation of the joint EPA-DOD guidance "Management Principles for Implementing Response Actions at Closed, Transferred and Transferring Ranges (2000)," that the Comprehensive Environmental Response, Compensation, and Liability Act is the preferred mechanism for performing investigation and cleanup of closed munition sites. For that reason, EPA Region 6's Superfund Division – not EPA Region 6's Resource Conservation and Recovery Act federal facilities staff should review MMRP documents.

Due to the forthcoming expiration of the current contract, the Air Force respectfully requests that the EPA respond with comments or a notification if comments will not be provided.

If you have any questions or concerns, please contact Mr. Scott Clark at (505) 846-9017 or via email at [scott.clark@us.af.mil](mailto:scott.clark@us.af.mil), or Ms. Suzanne Devergie at (505) 853-7213 or via email at [suzanne.devergie@us.af.mil](mailto:suzanne.devergie@us.af.mil).
