Dear Neighbor,

The Air Force will be hosting a virtual open house for the Kirtland Air Force Base Bulk Fuels Facility cleanup project on Thursday, November 4, 2021 from 6:00 to 8:00 p.m. In light of Coronavirus concerns, this open house will be held virtually using a platform provided by the Air Force Institute of Technology (AFIT)

We will be using a new software format, ZoomGov, which should be more user-friendly. Community members interested in joining the virtual open house can join using the following internet connection:

<https://www.zoomgov.com/j/1618445603?pwd=VUJZWHI1N3NXczRBRXpVM0JHNFhidz09>

An updated presentation will be provided that will include a project status update and a question and answer period. To submit questions, e-mail brannon.lamar@us.af.mil.

If you would like additional information, please contact Brannon Lamar at 377 Air Base Wing Public Affairs at (505) 846-5991 or by email, 377ABW.pa@us.af.mil.

We ask that you share this notification with others in your community and hope you can join us at the upcoming event!

Regards,
Kirtland Air Force Base Public Affairs
