Dear Neighbor,

The Air Force will be hosting a virtual public meeting for the Kirtland Air Force Base Bulk Fuels Facility project on Thursday, April 21, 2022.

The meeting will be conducted from 6:00 to 8:00 pm. Community members are invited to participate virtually with Air Force technical experts. A presentation describing project activities will be provided. The presentation will include a project status update and a question and answer period.

In light of coronavirus concerns, this public meeting will be available virtually using the Zoom government online platform. Community members interested in joining the virtual public meeting can join using the following internet link:
