

SEMIANNUAL PUBLIC MEETING

Thursday, October 27, 2022

6:00 PM

We invite you to attend this joint meeting hosted by representatives from Kirtland Air Force Base (KAFB), as well as the U.S. Department of Energy (DOE) and its management and operating contractor for Sandia National Laboratories (SNL). The purpose of the meeting is to provide information and updates about our environmental programs.

We continue to follow guidance regarding gatherings, including recommendations from the Centers for Disease Control and Prevention (CDC), on preventing the spread of COVID-19. In order to continue to maintain safety, this meeting will be held virtually using Microsoft Teams. You may join the virtual meeting using the link provided at https://www.sandia.gov/about/environment/environmental_management_system/index.html and follow the Public Meetings link on the left side of the page. On mobile and Apple devices, you may need to download a free app to join the meeting.

KAFB presentations can be reviewed in advance at: <https://www.kirtland.af.mil/Home/Environment/>.

DOE/SNL presentations can be reviewed in advance at: https://www.sandia.gov/about/environment/environmental_management_system/index.html and follow the Public Meeting link on the left of the page.

Please note: if a presentation and associated questions take less time than allotted, we will continue to the next presentation. Therefore, we recommend attending the entire meeting to ensure you do not miss the presentation(s) of interest to you.

We encourage questions and recommend submitting them in advance by email. The questions will be prioritized and will be addressed as time permits. Attendees may also ask questions via chat during the meeting, and those will be answered as time permits. Emailed questions that are not addressed during the meeting will be answered by email following the meeting. To submit a question, please send an email to KAFB Public Affairs or Adria Bodour with DOE (emails listed below). Please include **October 2022 Public Meeting Question** in the Subject line.
