Dear Mr. Plum:

This is to verify that I am in receipt of your letter dated February 8, 1996, in which you provide information regarding "Notice of Completion, Federal Facility Compliance Order, Mixed Waste Site Treatment Plan, Compliance Plan Volume, Activity 3.3B, Sampling and Analysis Plan" and a "Certification Statement" prepared in accordance with the requirements of Section XX., "Documents, Information, and Reporting Requirements" of the Federal Facility Compliance Order issued by the New Mexico Environment Department.

Thank you for the letter. I would appreciate receiving a copy of the "Sampling and Analysis Plan" mentioned above. Also, is there a reason why Ms. Devaurs did not sign the "Certification Statement"?

Sincerely,

Benito Garcia, Chief
Hazardous and Radioactive Materials Bureau
New Mexico Environment Department
