[Signature]

To: James P. Bearzi, Chief
From: Michael A. Taylor, Env. Spec.
Date: July 21, 1999
Re: DOE/LANL/FFCO REQUEST REGARDING EXPEDITIOUS TREATMENT OPPORTUNITY

Attached is a request for approval from DOE/LANL for an addition of several items to the STP to facilitate and expedite off-site treatment.

I have contacted Beverly Martin and informed her via telephone today that John Tymkowych and yourself will be handling the FFCO in future, and that I would forward this request immediately.
