Re: Time extension for shipment of waste

Dear Ms. Martin:

The New Mexico Environment Department's Hazardous and Radioactive Materials Bureau has reviewed your Correspondence regarding the waste that passed one year of age during the recent forest fire in Los Alamos County. The NMED understands that the waste was shipped as soon as operations were allowed to begin again. Please notify this office when treatment and disposal of this waste is completed.

If you have any questions concerning this extension approval for shipment you may call me at (505) 827-1561 ext 1039.

Sincerely,

Robert S. (Stu) Dinwiddie, Ph.D.
