RE: NOTICE OF ERROR ON NOTICE OF COMPLETION OF OFF-SITE WASTE SHIPMENT ACTIVITIES IN THE COMPLIANCE PLAN VOLUME (CPV), SITE TREATMENT PLAN (STP), LOS ALAMOS NATIONAL LABORATORY (LANL), JANUARY 19, 2007 HWB-LANL-07-019

Dear Messrs. Dye and Stewart:

The New Mexico Environment Department (NMED) has received the above-cited letter submitted by Los Alamos National Security (LANS) and the U.S. Department of Energy (the Respondents) and referenced by ENV-RCRA: 07-013. NMED has reviewed the document and identifies the following inaccuracy.

Comment #1:

The Table in the above-referenced letter cites the shipped waste as carrying the Material Waste Inventory Report (MWIR) identification as LA-W934. The STP update defines Section 3.2 in the STP to cover the waste treatability group, lead wastes; this treatability group is assigned an MWIR of LA-W924, not LA-W934. Revise the Table accordingly.

Messrs. Dye and Stewart
March 12, 2008

The Respondents must revise the letter correctly stating the inaccuracy identified in this letter and resubmit the corrected version by March 14, 2008. If you have any questions or comments regarding this letter, please contact Rebecca Kay of my staff at (505) 476-6040 or by email at rebecca.kay@state.nm.us.

Sincerely,

John E. Kieling
