Subject: STP Letters from NMED~~

John:

~~Just a short email to confirm our phone conversation of a few moments ago. LANL received four letters this afternoon. Three of which had due dates of Friday, 3/14/08. As we discussed the due dates placed in the letter were supposed to provide LANL with a week to respond. The intended due date was 3/21/08. We agreed that the response to these letters is due by close of business 3/21/08 and this email will document in both our files that this was acceptable to both LANL and NMED.~~

~~Thanks,
Jack~~
