Subject: Rev 18 Compliance Plan Volume pages

Rebecca,

I discussed the STP FY07 Rev 18 page numbering problems with Jack Ellvinger. There was a blank page 38 that was inadvertently inserted into both the revised LANL CPV Rev 18 redline/strikeout version and the revised final version which resulted in the inconsistent page numbering. I deleted the blank page 38 and re-printed the documents. The entire documents are both attached as PDF files. I apologize for the error.
