CERTIFIED MAIL-RETURN RECEIPT REQUESTED

Ms. Rebecca Kay
 Environmental Scientist & Specialist
 Hazardous Waste Bureau
 New Mexico Environment Department
 2905 Rodeo Park Drive East, Building 1
 Santa Fe, New Mexico 87505-6303

SUBJECT: REQUEST FOR EXPEDITED TREATMENT, SITE TREATMENT PLAN (STP), LOS ALAMOS NATIONAL LABORATORY (LANL).

Dear Ms. Kay:

The purpose of this letter is to request from the New Mexico Environment Department (NMED) permission to ship for treatment, mixed waste items that were proposed for addition to the LANL Fiscal Year 2007 (FY07) STP Revision 18.0. The FY07 STP, Revision 18, was submitted on May 1, 2008 and is currently under review by NMED. An expedited treatment opportunity is available for the waste items if they can be included with scheduled LANL off-site waste shipments.

			Quantity to be Shipped (kg)
3.1.11	LA-W908	<i>Nonhalogenated Organic Liquids</i>	0.0009
3.2	LA-W934	<i>High Activity Waste</i>	39.1278
TOTAL			39.1287

LANL has taken advantage in the past of opportunities to expedite shipments of waste not yet approved for addition to the STP. Please contact me immediately if you do not want LANL to proceed with adding this item to the shipment.

I have attached the Certification Statement for these wastes as required by the STP. (See Enclosure A) These documents were prepared in accordance with the requirements of Section XX, "Documents, Information, and Reporting Requirements," of the FFCO.

Please contact me at (505) 667-4715 or dyea@lanl.gov if you have any questions.

Sincerely,

Albert Dye
STP Project Manager
