**Subject:** RE: request for resubmittal of MTRU Quarterly Report for FY09 Q1

Hi Peggy-

Thanks for the heads up.

Please fix the errors and resubmit the quarterly report to the Department by Friday, February 20, 2009. Entitle the submittal as "Resubmittal of the ..." and explain in the cover letter the specific reasons for the resubmitted report. In addition, state in the cover letter that the 2/20/09 ¼ report submittal will supplant the ¼ report submitted to the Department on 2/10/09.

Thanks-

Rebecca

Rebecca,

We have identified two errors in the quarterly STP report dated February 10, 2009 that I delivered to your office on February 13:

- 1) A duplicate record of a container of combustible waste (80730) was supposed to have been deleted but it was not. The total volume of combustible waste is correct.
- 2) A container of solidified inorganic and organic solids (63747) was omitted. Therefore, the volume of that treatability group and the total volume shipped in Table 1 is incorrect.

I apologize for the errors and would like to resubmit the quarterly report.

Thanks.
