Hi, Rebecca,
 George and I are both free on Thursday, April 2. Morning will be fine.

And I'll be by your office tomorrow (Friday) with the quarterly report. Since it's my first effort, you'll have to let me know how it is.

Good morning Peggy and George-

I was hoping that we could start talking about a date to meet and begin to cull some of the redundancies in the STP? I was thinking sometime around the first week of April as we will already have sent out the first draft of the 'draft LANL permit' and it will be off my plate and you will have already submitted STP Update FY08 and Revision. What is your availability April 1 (Wednesday) or April 2 (Thursday)? Preferably the morning. Let me know when you have a minute.

Rebecca
