Subject: RE: Resubmittal of FY08 STP

Good morning Peggy-

This sounds like a plan. Please just be sure to include a brief explanation in the cover letter of the "newer and improved" Revision 19.0 when you submit it.

Thanks so much for all your persistence, hard work, and attention to this Revision.

Should you have any questions please feel free to call.

Rebecca

Subject: Resubmittal of FY08 STP

Rebecca,

Based on our reviews of the STP Annual Update for FY08 and following our discussion on April 16, LANL is proposing to resubmit the FY08 Update. The revised update will address discrepancies and provide additional detail. It will also clarify areas that might create confusion for the reader. The revision will supersede the version submitted on April 30, 2009. Thank you for the opportunity to resubmit the document.

Our Thursday meeting was quite helpful and, I thought, productive. I look forward to continuing to work with you to improve the STP.
