**RE: APPROVAL  
REQUEST FOR EXTENSION OF THE LOS ALAMOS NATIONAL  
LABORATORY (LANL) SITE TREATMENT PLAN (STP) FISCAL YEAR 2012  
AND FISCAL YEAR 2013 ANNUAL UPDATES  
EPA ID NO. NM08990010515**

Dear Mr. Worker and Ms. Noll:

The New Mexico Environment Department (NMED) has received the request to extend the submittal dates for Fiscal Year (FY) 2012 and 2013 (referenced by WM-DO-13-0094) (Request), and dated December 20, 2013, submitted by Los Alamos National Security, LLC and the U.S. Department of Energy (DOE) (collectively referred to as "Respondents").

In the Request, the Respondents propose to extend the submittal date for their response to NMED's disapproval of the FY 2012 STP Annual Update to February 10, 2014. In a December 9, 2013 disapproval letter, NMED stated that the Respondents were required to respond to NMED's comments by January 10, 2014. The Request also proposes a submittal date for the FY 2013 STP Annual Update of June 9, 2014, "to allow adequate time for public comment and approval of the FY2012 STP Annual Update, and to avoid having two annual STP updates under concurrent review by the NMED-HWB."

Mr. Worker and Ms. Noll

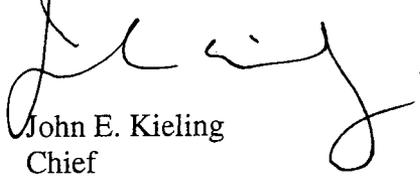

January 6, 2014

Page 2

NMED has reviewed the Request and hereby approves the Request. The new submittal date for the response to NMED's FY 2012 STP Annual Update disapproval is February 9, 2014. The new submittal date for the FY 2013 STP Annual Update is June 9, 2014.

If you have any questions or comments regarding this letter, please contact Tim Hall of my staff at (505) 222-9555 or by email at [timothy.hall@state.nm.us](mailto:timothy.hall@state.nm.us).

Sincerely,

John E. Kieling  
Chief  
Hazardous Waste Bureau
