**EPA ID#NM0890010515**  
**HWB-LANL-19-019**

Dear Ms. Nash and Ms. Churchill:

The New Mexico Environment Department (NMED) has received the U.S. Department of Energy (DOE), Newport News Nuclear BWXT-Los Alamos, LLC (N3B), and Triad National Security, LLC (Triad)'s (Collectively, the Respondents) *Notice of Completion of Off-Site Waste Shipments for the Second Quarter of Fiscal Year 2019 for Los Alamos National Laboratory as Required by the Federal Facility Compliance Order Site Treatment Plan, Compliance Plan, Activity 4.0*, dated and received May 14, 2019, and referenced by N3B-19-0123.

NMED has accepted the submittal for review in accordance with the New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.B(2) NMAC. The fee invoice is attached to this letter. If you disagree with the fee assessed, you may notify Mr. Brian Holton in writing, at 2905 Rodeo Park Drive East, Building 1, Santa Fe, New Mexico 87505-6313, of the intent to appeal the invoice under the provisions of 20.4.2.302.A NMAC.

Page 2

The New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations, 20.4.2.201.F NMAC require assessment of fees. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED currently maintains a supplemental fee agreement with the Respondents for State fiscal year 2019, and the Respondents transmitted payment of supplemental fees, the fee invoice has been effectively paid under these supplemental fees.

If you have any questions regarding this letter, please contact Siona Briley at (505) 476-6049.

Sincerely,

Neclan Dhawan  
Manager, LANL Group  
Hazardous Waste Bureau
