Dear Ms. Nash and Ms. Millensted:

The New Mexico Environment Department (NMED) has received the United States Department of Energy (DOE) and Triad National Security, LLC (Triad) (Collectively, the Respondents) *Notice of Completion of Expedited Off-Site Waste Shipment Activity 3.3.4 (B and C), Compliance Plan, Site Treatment Plan, Federal Facility Compliance Order, Los Alamos National Laboratory*, dated and received June 5, 2019, and referenced by EPC-DO-19-171/LA-UR-19-24976.

NMED has accepted the submittal for review in accordance with the New Mexico Hazardous Waste Permit and Corrective Action Fee Regulations 20.4.2.201.B(2) NMAC. The fee invoice is attached to this letter. If you disagree with the fee assessed, you may notify Mr. Brian Holton in writing, at 2905 Rodeo Park Drive East, Building 1, Santa Fe, NM 87505-6313, of the intent to appeal the invoice under the provisions of 20.4.2.302A NMAC.

The New Mexico Hazardous Waste Permit and Corrective Action Fee regulations, 20.4.2.201.F NMAC require assessment of fees. Payment is normally due within sixty (60) calendar days from the date that you receive the invoice in accordance with 20.4.2.301.C NMAC. However, because NMED currently maintains a supplemental fee agreement with the Respondents for the State fiscal year 2019, and the Respondents transmitted payment of supplemental fees, the fee invoice has been effectively paid under these supplemental fees.

If you have any questions regarding this letter, please contact Mitchell Schatz (505) 476-6051.

Sincerely,

Neelam Dhawan
Manager, LANL Group
