

2-3-1157

DATE July 28, 1955

TO : Group ENG-1
 FROM : Records Group - ENG-3 *J. E. K...*
 SUBJECT : REQUEST FOR SURVEY SERVICE
 REFERENCE: Contaminated Materials Burial Pits

1229
General

1. Lab Job number: 1757

File 7-1-59

- 2. Job Order number: None
- 3. Contract number: None
- 4. Data work required: ASAP
- 5. General description of work required:

Obtain in the field, as required, sufficient information to accurately tie in to the Zia Grid all of the fenced areas surrounding certain Material Waste Pits as shown on drawing ENG-R102, print of which is attached.

The above information is required so that permanent files and drawings may be compiled for each of the areas, reflecting data as to grid coordinates of all fence corners, angles, etc.

- 6. Remarks: John Sizer may be contacted for further details.

*Work has continued on this Lab Job
as necessitated by demands of job
