MEMORANDUM

TO: Kathleen Sisneros, Chief
Water and Waste Management Division

FROM: Ed Horst, RCRA Program Manager
Hazardous and Radioactive Materials Bureau

RE: Letter, dated April 28, 1989, from EID to Los Alamos
regarding regulation of mixed waste under state law

DATE: February 26, 1992

The attached letter, which is in the files of the H&RMB, was recently sent to the Bureau by EPA-Region 6. Evidently, they had recently run across it in their files and called me to determine whether or not, in light of recent decisions, the NMED remembered the letter. I thought we had the letter, but requested that EPA-Region 6 send me a copy. A copy is being sent to you for your information.
