 SUBJECT: Proposed Agenda for Monthly Status Meeting

TO: Steve Slaten, Physical Scientist, ES&H Branch, LAAO  
 John Gould, Physical Scientist, ESH&C Branch, KAO

Attached is the proposed agenda for the July 30, 1993 combined LANL and SNL/NM monthly status meeting with the U.S. Environmental Protection Agency (EPA) and the New Mexico Environment Department. The meeting is scheduled to start at 8:00 am. Please remember that these meetings are intended to be informal discussions about the Environmental Restoration Programs at the Laboratories. To encourage discussions, the number of DOE and their contractor participants is limited to: 2 representatives from each of the Laboratories, 2 representatives from each Area Office, 2 representatives from AL's Environmental Restoration Project Office, and 2 representatives from DOE/HQ.

The location of the meeting is the EPA offices in Dallas, Texas.

If you have any changes or additions to the agenda, or questions about this memorandum, please call Julianne Levings at FTS (505) 845-6201. If necessary, a revised agenda will be furnished at the meeting.
