

**The Public is Invited to Attend
Environmental Restoration Program
Public Information Meetings for the
Los Alamos National Laboratory**

Española

Tuesday

December 7, 1993

6:30-8:30 pm

NNM Community College

Administration Building Rotunda

Los Alamos

Wednesday

December 8, 1993

6:30-8:30 pm

Hilltop House Hotel

Taos/Tyuoni Rooms

Santa Fe

Thursday

December 9, 1993

6:30-8:30 pm

Sweeney Center

Room 3

These meetings will focus primarily on the Laboratory's method of prioritizing sites for investigation and on a risk management approach to making decisions about environmental investigations and cleanup at the Laboratory. Project leaders and other personnel from the Environmental Restoration Program will be available to talk with members of the public in small groups or individually about program projects, to answer questions, and to listen to your concerns.
