Dear Mr. Bellows:

I recently learned that you have received a new assignment with the Department of Energy in the Washington, D.C. area. I want you to know that I have appreciated our working relationship, and I know that together we resolved many issues that were critical to the health of the citizens of New Mexico.

We are going to miss you immensely. I can only hope that your successor continues to meet the high standards you set for yourself and the other fine people at Los Alamos. On behalf of the entire staff of the New Mexico Environment Department, I wish you the best of everything in your new assignment.

Sincerely,

JUDITH M. ESPINOSA
