

LANL Site-Wide Environmental Impact Statement Informational Workshops Schedule

On August 10, 1994, an Advance Notice of Intent (ANOI) was published in the Federal Register expressing the U.S. Department of Energy's (DOE) desire to prepare a Site-wide Environmental Impact Statement (SWEIS) for the Los Alamos National Laboratory (LANL).

DOE has scheduled the following public information meetings related to the SWEIS.

Date	Time	Location	Topics
Wednesday, September 21	2:00-5:00 PM and 6:30-9:30 PM	Senior Citizens' Stroke Center, 735 Vietnam Veterans Memorial Road, Española	<ul style="list-style-type: none"> • CMR Building • Nuclear Materials Program and Related Facilities • Waste Management 1 (Controlled Air Incinerator, Hazardous Waste Treatment Facility, High Explosives Wastewater Treatment Facility, Federal Facility Compliance Act, Radioactive Liquid Waste Treatment Facility)
Thursday, September 22	2:00-5:00 PM and 6:30-9:30 PM	Senior Citizens' Stroke Center, 735 Vietnam Veterans Memorial Road, Española	<ul style="list-style-type: none"> • Weapons RD&T Program and Related Facilities • Waste Management 2 (Area G, Mixed Waste Disposal Facility, New Sanitary Landfill) • Environmental Restoration and Cleanup
Wednesday, September 28	1:00-4:00 PM and 6:30-9:30 PM	Sweeney Center, 201 West Marcy Street, Santa Fe	<ul style="list-style-type: none"> • CMR Building • Nuclear Materials Program and Related Facilities • Waste Management 1 (Controlled Air Incinerator, Hazardous Waste Treatment Facility, High Explosives Wastewater Treatment Facility, Federal Facility Compliance Act, Radioactive Liquid Waste Treatment Facility)
Thursday, September 29	1:00-4:00 PM and 6:30-9:30 PM	Sweeney Center, 201 West Marcy Street, Santa Fe	<ul style="list-style-type: none"> • Weapons RD&T Program and Related Facilities • Waste Management 2 (Area G, Mixed Waste Disposal Facility, New Sanitary Landfill) • Environmental Restoration and Cleanup
Wednesday, October 12	1:00-4:00 PM and 6:30-9:30 PM	Los Alamos Inn, 2201 Trinity Drive, Los Alamos	<ul style="list-style-type: none"> • CMR Building • Nuclear Materials Program and Related Facilities • Waste Management 1 (Controlled Air Incinerator, Hazardous Waste Treatment Facility, High Explosives Wastewater Treatment Facility, Federal Facility Compliance Act, Radioactive Liquid Waste Treatment Facility)
Thursday, October 13	1:00-4:00 PM and 6:30-9:30 PM	Los Alamos Inn, 2201 Trinity Drive, Los Alamos	<ul style="list-style-type: none"> • Weapons RD&T Program and Related Facilities • Waste Management 2 (Area G, Mixed Waste Disposal Facility, New Sanitary Landfill) • Environmental Restoration and Cleanup

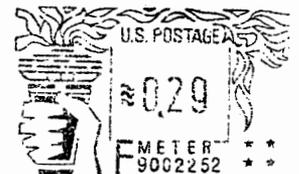

Individuals who require a sign language interpreter to participate in the public meetings should contact LANL's Stakeholder Involvement Office (505-665-4400 or 800-508-4400) as soon as possible.

Questions concerning the meetings and workshops may be directed to LANL's Stakeholder Involvement Office or Christina Armijo, DOE Los Alamos, 505-699-1356. Questions concerning the LANL SWEIS should be directed to David Rosson, DOE Albuquerque, 505-845-6626.
