Ms. Barbara Hoditschek  
RCRA Permits Program Manager  
Hazardous and Radioactive Materials Bureau  
New Mexico Environment Department  
525 Camino de los Marquez  
Santa Fe, New Mexico 87502

Dear Ms. Hoditschek:

Ms. Barbara Driscoll of the EPA Region 6 RCRA Permits Branch will be in Los Alamos to meet with Jorg Jansen and myself on the afternoon of March 8, 1995, and, if necessary, continuing on the morning of March 9th. The meeting will begin at 1:00pm on the 8th. The purpose of the meeting is to discuss the impacts to the Los Alamos Environmental Restoration Program of the budget cuts which are being imposed on the program. Also we would like to initiate discussions on partnering and team building with our Program stakeholders. As a major stakeholder along with the EPA, your attendance at the meeting would be very beneficial for our program, as well as yours. I apologize for the short notice for the meeting, however, we are taking advantage of the fact that Barbara was going to be in the area on other business. Please let me know if you can attend the meeting.

When an agenda is completed, I will have one faxed to your office. If you have any additional items for the agenda, please let me know.

If you have any questions, please call me or have your staff call Court Fesmire at 665-4718.

Sincerely,

Theodore J. Taylor  
Program Manager  
Environmental Restoration Program
