SUBJECT: ACCELERATED CLEANUP FIELD WORK SCHEDULE

Attached is the schedule for field work involving Environmental Restoration remediation accelerated cleanup activities (expedited cleanup or voluntary corrective action) for the remainder of fiscal year 1995. Verification samples will be collected confirming that remediation has been completed. Because the schedule is subject to change depending upon weather or other factors, should you wish to observe field activities or collect duplicate samples, please contact Dave Bradbury, Coordinator for the accelerated cleanups at (505) 665-6208 to provide current scheduling information.

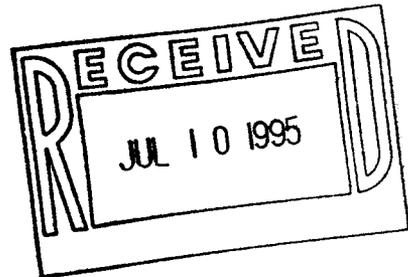

If you have other questions or concerns, please feel free to call me at (505) 667-0819.
