Re: Request for NMED DOE OB staff to attend Waste Information Exchange Meeting to be held on October 11, 1995 at LANL.

Dear Mr. Trujillo:

It has recently come to my attention that a meeting is to be held between LANL ER and ES&H staff in order to cover waste management issues including Storm Water Best Management practices. Due to recent Storm Water concerns at several SWMU's, NMED DOE OB staff would very much like to attend this meeting in order to offer any assistance to LANL ER staff concerning Storm Water pollution prevention. Any assistance in this matter would be greatly appreciated.

If you have any further questions please do not hesitate to call me at 672-0459 to discuss this matter.

Sincerely,

Harvey L. Decker  
NMED/DOE/OB
