SUBJECT:

LAAO ENVIRONMENTAL RESTORATION TEAM RESPONSIBILITY MATRIX

TO: J. Jansen, EM/ER, UC-LANL, MS M992

Attached is a responsibility matrix for the LAAO Environmental Restoration Team. A restructuring of responsibilities has been made to redistribute the work loads and to provide for secondary areas of responsibility. In the secondary areas of responsibility and for other duties as assigned, each team member will represent LAAO in interactions with your staff and with external parties.

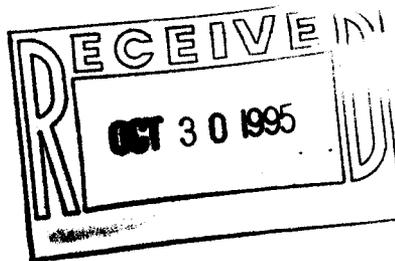

I will discuss the responsibility matrix at our FPL/FPC meeting on October 26, 1995.

If you have questions, please call me at 665-7203.

Theodore J. Taylor
Program Manager
