Re: **Deadline Extension**

Dear Messrs. Baca and Erickson:

On March 18, 1996, Mr. Dave McInroy (LANL-EM/ER) contacted Mr. Glenn Saums of my staff to request a one to two week extension to the deadlines set forth in my February 8, 1996 letter to you. Mr. McInroy stated much of the information has been assembled but compilation of data on contaminants at each site cannot be completed by the deadlines. Rather than require a partial submittal, I am granting a two week extension for the complete submittal. Messrs. McInroy and Saums concur that a two week extension would result in a deadline of close-of-business April 5, 1996.

If you have any questions, please contact Glenn Saums of my staff at (505) 827-2827.

Sincerely,

Jim Piatt, Ph.D.
Chief
Surface Water Quality Bureau
