Santa Fe, NM 87505

Estimado Mr. Dinwiddie:

We hope this finds you in good health and spirit.

On behalf of the Northern New Mexico Citizens' Advisory Board (NNMCAB) to the Department of Energy on the Los Alamos National Laboratory (LANL), we would like to extend an invitation to you to share your knowledge and experience on on-site contamination from LANL with the NNMCAB. We have scheduled your presentation for about 45 minutes, allowing 15 minutes for a question and answer period.

The work session will take place at 9:00 a.m. on Saturday, June 29, 1996, at the administration building of the Northern New Mexico Community College in Espanola. Mr. Juan Montes, Director of the Rural Alliance for Military Accountability, is facilitating and organizing the agenda for this work session. Please contact him at (505) 586-1241 for further information and advise him of your presentation and equipment needs.

We appreciate your participation in this educational effort.

Sincerely,

Antonio Delgado
NNMCAB Co-Chair

Bernadette Chavira-Merriman
NNMCAB Co-Chair
