**SUBJECT: AUGUST MONTHLY STATUS LETTER OF OPEN ENVIRONMENTAL RESTORATION SUBMITTALS**

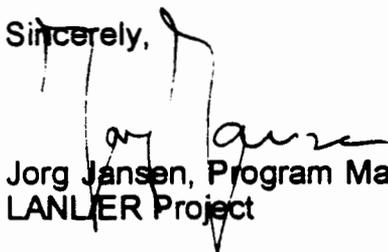

Dear Mr. Garcia:

Enclosed is our second monthly status letter on open Environmental Restoration Project submittals. We have incorporated changes recommended by Barbara Driscoll, Environmental Protection Agency, R.6, and added items submitted since the last letter. As we did not receive comments from you, please recognize there may be some incorrect information or possibly some missing information. We would appreciate your comments.

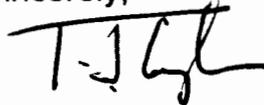

We have also enclosed a chart and corresponding table showing the turnaround times for reviews and approvals of our regulatory documents. As you can see, many documents have taken several months for review and some have yet to be reviewed. We understand the impact our facility has placed on your staff resources, however, the Secretary of the New Mexico Environment Department has indicated his commitment for timely reviews and indicated that 45-60 days is adequate review time. We are prepared to do anything we can to help expedite the current reviews and diminish the backlog of documents. Please let us know how we can help.

Please review the enclosed list with your staff, and if you have any questions or changes, do not hesitate to call Ted Taylor at (505) 665-7203 or Tracy Glatzmaier at (505) 665-2613.

Sincerely,

  
 Jorg Jansen, Program Manager  
 LANLIER Project

Sincerely,

  
 Theodore J. Taylor, Program Manager
