**SUBJECT: LIST OF COPECs**

Dear Benito:

Attached is the Los Alamos National Laboratory's Environmental Restoration Project list of contaminants of potential ecological concern (COPECs) for screening. This list is provided for review by your staff prior to the meeting on October 23, 1996. We would like to discuss this list and come to an agreement on this topic during that meeting.

This list represents those COPECs that appear to be ubiquitous throughout the Laboratory and for which risk assessment appears to be indicated at most ecological exposure units (EEUs). This list will be modified as appropriate based on chemical characterization of sites within individual EEUs to produce EEU-specific COPEC lists.

Please have your staff call Roger Ferenbaugh at (505) 667-0811 or Bob Simeone at (505) 667-0587 if they have any questions regarding this list.

Sincerely,

Jorg Jansen, Program Manager  
 LANL/ER Project
