FILE LAWL REP 96

Dear Mr. Kelly:

I look forward to our meeting on November 14 to discuss Department of Energy environmental restoration and waste management activities in New Mexico. The purpose of the meeting will be to discuss significant issues confronting us in achieving our New Mexico Environmental Management Program goals. I have attached an agenda that I believe will facilitate our accomplishing this objective. I have also attached a list of the persons planning to attend this meeting.

Thank you for agreeing to meet with me. I'm sure our discussions will expedite the resolution of mutual concerns. If you have any questions please call either me at (505) 845-6210, or, Julianne Levings at (505) 845-6201.

Sincerely,

W. John Arthur, III
 Assistant Manager
 Office of Environment/Project Management
