Dear Mr. Garcia:

The Department of Energy (DOE) will be holding a public meeting concerning land transfer issues on February 18, 1997, from 6:00 p.m. to 7:30 p.m., at the Los Alamos Area Office, 528 35th Street, Los Alamos. We are designing this meeting to last 90 minutes. The purpose is primarily to share information with citizens regarding the direction and processes taken by DOE. We understand that many different people and organizations are interested in the potential land transfers and that decisions made by DOE can affect everyone. Therefore, I am extending to you a personal invitation to attend this meeting.

I look forward to seeing you the night of February 18.

Sincerely,

G. Thomas Todd
